

Why Eastern Ornamental Railing?

Eastern Ornamental Railing has fast become one of the most respected ornamental aluminum products in the railing industry. Your beautiful matte finish railing will add the perfect accent to your stoop, deck, patio, or high rise. In accordance to ICC-ES AC273, you can start installing Eastern Ornamental Railing System on any floor today.

It's Simple, Attractive, Safe, and Affordable.

It's easy to install, available immediately, looks great, and comes packed with many of the same value added benefits as its cousin, Eastern Ornamental Fence. So if you're looking for the perfect fit for your railing install, you've found it in Eastern Ornamental Railing System.

SIMPLE ELEGANCE

ICC-ES AC273 Compliant

The Eastern Ornamental Railing System delivers an elegant and timeless aluminum design, establishing itself as one of the most respected products in the industry. Featuring a robust 2.25" high top rail for substantial stability and a sophisticated profile, it is designed to beautifully accent any stoop, deck, or patio.

It is available in standard 36" and 42" heights, with easy-to-install sections in 6-foot and 8-foot widths. Versatility is ensured with both fixed and adjustable stair rail bracket sets to accommodate various slopes. Crafted from high-strength 6061 T6 Aluminum Alloy and finished with a durable Interpon Powder Coating, this system prioritizes safety and longevity. It is recognized for compliance with the International Building Code (IBC) and International Residential Code (IRC) per ICC-ES AC273, ensuring top-tier quality and performance.

INFO

Available in matte finish Black, Bronze, & White.

6ft and 8ft long sections in both 36" high and 42" high.

Sections sold in a KD form so that they can be easily cut down for custom installations.

Offered with 2.5" and 3.0" wide posts in kit form (comes with a base mounting flange, a cap and a skirt).

The base mounting flange can be removed easily if need be.

Additional sized posts which only come with caps and no installation flanges or skirts.

All posts are packaged in cardboard with foam wrap just like the sections.

Sections can be used as either a straight section or a stair section. (The bottom rail of the section will need to be assembled in a slightly different way for stair applications. This is highlighted very clearly in the assembly instructions which are included in every hardware pack.)

Hardware for stair sections is sold separately from the panel and must be purchased with the stair conversion.

Hardware can be used with any size or length of post and any size of section.

Stair hardware has a wide range of adjustment to the pitch of the stair.

For each stair section ordered, both the stair hardware (EORSTRK), and the conversion spacer kit (EOR6ST/EOR8ST) will need to be ordered.

Hardware is easy to deal with because it is self-centering.

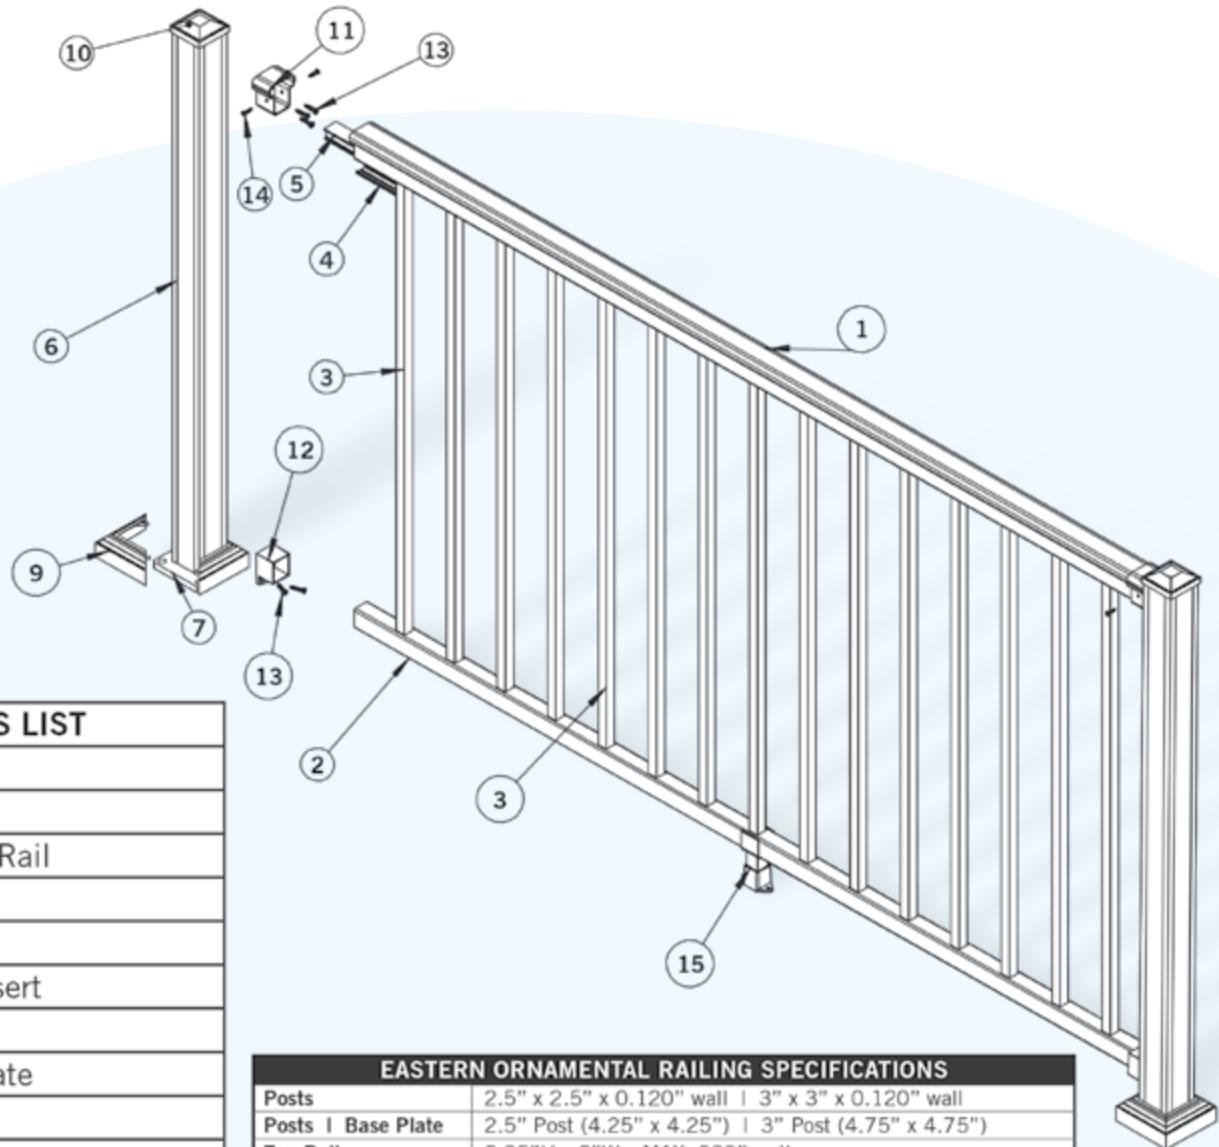

The railing has had structural testing performed on it and will carry an AC-273 structural testing certification

To install it according to testing certification, a foot block must be used. (Always include with every order.)

Comes in a textured matte finish that is different than Eastern Ornamental Fence, but ensures the durability needed for railing applications.

Limited Lifetime Warranty

Eastern Ornamental Aluminum® fence is warranted against the specified defects in material and workmanship occurring as a direct result of the manufacturing process, under normal use and service, during the period of time stated and subject to the terms and conditions of this warranty.

Eastern Ornamental Aluminum® finish is warranted against manufacturing defects in material workmanship that result in rusting, blistering, peeling, flaking and abnormal weathering and discoloration.

Any claims for defects under this limited warranty must be made to Eastern Wholesale Fence LLC®, 266 Middle Island Road, Medford, NY 11763 promptly after discovery of the claimed defect, describing the defect claimed, together with the proof of purchase and nature of claim (including photos). A reasonable time should be allowed for inspection purposes. If, after inspection, the manufacturer determines that the claim is in accordance with the terms of limited warranty, then the manufacturer agrees as its option to replace the section or part of the product in the geographical area, whichever shall be less. Labor, installation and any similar costs are excluded herein and shall not be paid by the manufacturer.

Eastern® does not warrant installation or defects caused by installation. This limited warranty is void if any of the following occurs: (a) improper application techniques; (b) misuse, neglect or improper storage; (c) altering or changing the product by use of applied heat, welding, solvents, epoxies or any other alterations beyond the manufacturer's control; (d) impact of objects, fire, flood, hurricane, tornado, wind storms, casualty, or "Acts of God"; (e) adverse effects of air pollution, mold and normal weathering of surfaces.

Eastern® does not recommend or approve this product for all possible end use applications. The appropriate local code authority should be consulted as to its safety and applicability for intended usage. This limited warranty shall be for the benefit of the original purchaser-property owner only and shall not be transferable.

THE WARRANTY STATEMENTS CONTAINED IN THIS LIMITED WARRANTY SET FORTH THE ONLY EXPRESS WARRANTIES EXTENDED BY Eastern Wholesale Fence LLC®, IN LIEU OF ALL OTHER WARRANTIES, AND THE PROVISIONS OF THIS WARRANTY SHALL CONSTITUTE THE ENTIRE LIABILITY OF Eastern Wholesale Fence LLC® AND THE PROPERTY OWNERS EXCLUSIVE REMEDY FOR BREACH OF THIS WARRANTY. Eastern Wholesale Fence LLC® SHALL NOT BE LIABLE TO THE PROPERTY OWNER FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THE FENCE.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

This warranty gives you specific legal rights and you may also have other rights, which may vary from state to state.
